David Olney Duo

Master craftsman, acclaimed singer/songwriter and globe-trotting performer David Olney has released more than 20 albums over four decades, including six live recordings. His music has been prominently featured in ABC-TV's Nashville and his stellar songs have been recorded by Emmylou Harris, Linda Ronstadt, Del McCoury, Tim O'Brien and Steve Young, among many others. "Though he's best known as a masterful wordsmith, Olney has a knack for creating the ideal atmosphere for his gothic noir tune." - Acoustic Guitar Magazine
